

Learning Disability Week 2026

Every year we celebrate Learning Disability Week.

It is a week where people show what life is like if you have a learning disability .

This year the theme is “**Do you see me?**”

“**Do you see me?**” is about people with a learning disability being seen, heard and **valued**.

Being **valued** means that people are respected by others, and their views and feelings are listened to.

We want Learning Disability Week to be about:

- Celebrating the things that people with a learning disability do

- Challenging the **barriers** that people with a learning disability face.

A **barrier** is something that stops someone from doing something.

Learning Disability Week starts on Monday June 15 2026.

Let's tell everybody about Learning Disability Week 2026!
